

OUR ACHIEVEMENTS

Kerala University, Geology
First Rank 2019-Veena MC

Kerala University, Geology
First Rank 2020- Swathy S

Kerala University, Geology
Third Rank 2021- Gayathri DB

Civil Services Exam 2025,
Rank 702- Anjali P

OUR ACTIVITIES

ABOUT OUR DEPARTMENT

The Department of Geology was established in 1979. Department of Geology maintains high standards in teaching and learning, which are reflected in consistent progression of students to higher studies and employment. The students have also excelled in extracurricular activities.

COURSES OFFERED

IN FYUGP PROGRAMME
B.Sc Geology with Honours (4 Yrs)

In addition to Basic Courses for Geology
Electives offered are:

1. *Hydrogeology with Geophysical Investigation*
2. *Field Techniques in Geology*
3. *Exploration and mining Geology*
4. *Engineering Geology*
5. *Climatology and Marine Geology*
6. *Geotechnical Investigation of soils*

With Engineering Geology and GIS course, we make student ready for the challenges in present day Industry and Research Sector.

SREE NARAYANA COLLEGE

CHEMPAZANTHY

DEPARTMENT OF GEOLOGY

VISION: TO ENSURE HOLISTIC DEVELOPMENT OF STUDENTS BY INCULCATING VALUES OF LIFE, SCIENCE EDUCATION, DEVELOP SCIENTIFIC TEMPER, RESPECT FOR NATURE, AND NURTURE ETHICAL VALUES THROUGH SCIENTIFIC EDUCATIONAL PRACTICES

MISSION: TO OFFER HIGH QUALITY EDUCATION DEDICATED TO BUILDING MINDS WITH SOCIAL AND MORAL RESPONSIBILITY, AND TO PROVIDE A STRONG FOUNDATION FOR HIGHER STUDIES, RESEARCH AND EMPLOYMENT IN THE FIELD OF GEOLOGICAL SCIENCES

OUR SPECIAL HIGHLIGHT:

- **33** Students Qualified for JAM in Last Six Years (Entrance exam for **admission @ IIT'S** and NIT's)
- Every year Special session for JAM/ NET/ GATE is being Conducted
- Five Day GIS **Certificate Course**
- Strong Support from well established Alumni **“Two Endowment each year (Rs 25,000 each) for Students”**
- Geological Field Tour **Every Semester**
- Regular Group Discussion/ Debate sessions for **improving communication skills & cultivate leadership qualities**
- Regular Visit to Geological Institutes
- Facilitate internship in accordance to **students choice** in Govt institutes and Pvt industries
- We have **two MoU's** for improvement in technical and professional expertise.

“Never regard study as a duty,
but as the enviable
opportunity to learn.”
—Albert Einstein

**Visit us..., Talk to us..., Understand,
Explore..., the Field of Geology
and decide to grow as a Geologist....**

Our Teaching Faculty

Dr. S Saji
Assistant Professor
& Head
PH: 7907468665

Dr. Sreela S.R
Assistant Professor

Ms. Devika D.S
Assistant Professor
Ph.D Submitted

Our Facilities

Geological museum

**Well-equipped-ICT-enabled
classrooms and laboratories**

GIS Lab facility

10 Petrological Microscope

**ICT tools – LCD projectors &
Document Projector, Video
Camera online class platforms**

**Over 800 Geological books at
Central Library**
