ANNUAL REPORT 2021-22

Internal Quality Assurance Cell (IQAC)

Sree Narayana College, Chempazhanty

FOUNDER MANAGER

Sri R. SANKAR

MANAGER

Sri. VELLAPALLY NATESAN
(SECRETARY)

PREFACE

Happiness comes as a result of our actions
-Sree Narayana Guru

It gives me immense pleasure and honour to place before the S.N.Trusts, The Annual Report for the academic year 2021-22 of Sree Narayana College Chempazhanthy. Each annual report provides an opportunity for introspection to the stakeholders, to get better insights on making innovative and progressive strides in the days to come.

Our college situated at the birth place of the illustrious and charismatic Maha Guru, Sree Narayana Guru, a humane progressive thinker and radical charismatic moderniser, who decisively changed Kerala's Social Character, has worked tirelessly to inspire generations of student community. Formally inaugurated on 20th July 1964 by Sri. R.Sankar the then Chief Minister of Kerala, the S.N. Colleges has stamped their mark in the educational map of Kerala. The college extends educational service to more than 2000 students every year, keeping space for students from socially and economically backward category.

With the pandemic showing sign of subsiding, a transition from fully online class to a hybrid one helped in continuing the process of teaching and learning without any interruption. After months of relentless efforts, finally the college has been successful in procuring the permit for RUSA building construction, amounting to one crore. Student friendly initiatives included furnishing of ladies wash area with incinerator and washroom facilities for differently abled. Yet another addition to the facilities in the college is a Mini Auditorium, furnished with 40 chairs. The college is on the path of NAAC re-accreditation process, a successful milestone in this endeavour is the SSR submission. The commencement of PG course in Botany has been complemented with a well-equipped laboratory comprising of all modern equipment. To save energy at the college level, a solar panel has been installed, which enable the institution to have 24x7 power supply. This initiative favourably supports financial management. As part of the execution of green protocol norms, greening the campus with the highlight of lush lawn has offered a facelift for the college. Adhering to the qualitative edge, Dr.Anil kumar S, Principal in Charge, HOD of Botany has been the first from the college to be promoted to the rank of professor paving the way for many more to follow suit.

I would like to express my sincere thanks to the Management for their constant monitoring and productive engagement in all the activities of the college. I would like to place on record, the guidance and support by the teaching, non-teaching and parental community, this has helped in bringing a positive difference in the society. We seek the blessings of the all-powerful in guiding us for a still better delivery of service in the days ahead.

Best regards

Dr. Anil kumar S
PRINCIPAL

Report of the functioning of Sree Narayana College during 2020-21

The classes for the academic year 2021-22 began on June, 2021. A council meeting was held to discuss the plan of action for the year. Academic calendar was prepared and Teacher's work diary was distributed to all teachers like in the previous years.

There are 62 teaching staff 15 males and 47. Admission to UG and PG courses were carried out as per the online procedure of the University. The student strength for the year was 2101. The first year students of all classes were given an orientation concerning the rules and regulations to be followed in the college and various aspects regarding their course of study during the "Know Your College" programme organized by the IQAC on 7th November 2021.

teachers attended Refresher/Orientation courses and Short term courses during 2021- 22. Teachers actively engaged in research activities and attended various seminars/workshop. conferences.

Spectrum 2021- 2022 the annual academic seminar series of the college was inaugurated on 7th November 2021. All clubs and committees of the college actively functioned during the year. Most of the commemorative days and days of International significance were observed in the college. World Environment Day, National Science Day, World Ozone day, and World Wetlands day were observed with the financial help of KSCSTE. Christmas was celebrated by all teachers and students.

The activities of the NSS volunteers and NCC cadets were commendable and brought wide publicity and recognition to the college in print and electronic media. The NSS unit engaged in realizing organic farming in the campus.

The Principal, the teaching and non-teaching staff as well as the students acknowledge the support received from the Management in the development activities of our college. The academic year 2021-22 was a year of enrichment for both teachers and students of the college, as the year was filled with lot of achievements in curricular and extracurricular aspects. We are looking forward to the new Academic Year 2021-22 with great hope and enthusiasm.

"Thejaswi naavadhita masthu"

(May the Light of Wisdom illumine us, both the teacher and the taught)

R SANKAR MEMORIAL SPECTRUM INTERDISCIPLINARY SEMINAR SERIES 2021-22 REPORT

SPECTRUM, an Interdisciplinary Seminar Series, organized by Sree Narayana College, Chempazhanthy is a commemoration seminar series for giving respect to our founder Manager and former Chief Minister of Kerala Sri R Sankar, continuously since 2004. The seminar envisions the overall development of the students in tune with the philosophy of the great liberator Sree Narayana Guru.

The word 'spectrum' means a range of a particular type of thing. In our scenario the 'particular type of thing' is exchange of knowledge. The exchange occur between the eminent academicians who came here to give invited lectures and our budding scholars.

On 20.10.2021 the College Council convened by the Principal at 1.30pm decided on the conduct of Spectrum 2021-22. Accordingly, Dr.Bijila.B.R (Assistant Professor, Dept: of Mathematics) was selected as the Convenor. The meeting decided on the tentative dates of inauguration of Spectrum as per the convenience of the Chief Guest. Departments were to decide on their slots and conduct on their own. An Organising Committee was to be formed inclusive of the Principal as the Chairman , HoD's of Departments, PTA Secretary, IQAC Coordinator, Academic Committee Convenor as Members and an Executive Committee comprising of the Convenor and Department Convenors. Department level seminars to be organised by Department Convenors. First and Second Prizes for the Best Paper Presentation were to be awarded. The Rank holders and those who secured highest marks in University Examinations for the year 2021 will be honoured along with the students and teachers for their academic cultural and literary accomplishments. Sub Committees allotting specific duties for the smooth conduct of the seminar was formed. A Special meeting of the executive members to evaluate and ensure last minute preparations of the Seminar was held on 09.12.2021 at 7.30pm through online mode.

The Inauguration of 17th R Sankar memorial SPECTRUM INTERDISCIPLINARY SEMINAR Series 2021 was on 07.11.2021 (founder's day) at 10.00 am in the Seminar Hall. The programme was inaugurated by Adv.G. R. Anil, Hon'ble Minister for Food and Civil Supplies, Consumer Protection and Legal Metrology, Government of Kerala. The programme was presided by the Principal Dr. Anilkumar. S. The gathering was welcomed by Dr. Kumar.S.P (Convenor, Founder's day observance). R Sankar Commemoration Lectures were delivered by Dr.J Prabhash, Former Pro vice chancellor of University of Kerala and Dr.S. Jayaprakash, Former Principal, S N Colleges. Sri D Premraj (SNDP Yogam Trivandrum Union President), Sri Chempazhanthy G Sasi (SN Trusts Executive Member), Dr. AS Rakhee (Coordinator IQAC), Dr. Uthara Soman (Coordinator NAAC), Dr. Suchithra Devi (Treasurer, PTA) and Sri Premji K S (Office Superintendent) delivered the Felicitations. Dr.Bijila.B.R (Convenor, SPECTRUM 2021-22) delivered the Vote of Thanks.

On 13-12-2021 the seminar series started off with Political Science department and

ended with the Department of Economics on 07.01.2022. The massive participation of the students were noteworthy. A highly competitive Paper presentation Competition for students made the judges in dilemma in deciding the winners. About 125 paper presentations were held. Erudite lectures by Professors, Scientists, Social Scientists, Media Persons, Activists were held along with.

On 21-03-2022 at 11.30 am in the seminar hall the Valedictory function of the Seminar series was Inaugurated by Sri Kadakampalli Surendran, M.L.A and Former Minister, Government of Kerala. Dr.Bijila.B.R (Convenor, SPECTRUM 2021-22) welcomed the gathering. Principal Prof.Dr. Anilkumar.S presided. Dr.Bijila B.R (Convenor, SPECTRUM 2021-22) presented the Report on the Seminar. Dr. Haripriya Anand (Coordinator SAAC), Anish Raj M.S (Representative of Non teaching Staff) and Sri.Vishnu Shaj (Chairman, College Union) gave the felicitations. Dr.Reji S.R (Academic Committee Convenor)gave an overview of the Spectrum Seminar Series. Students aired their opinion on the experience of Seminar and Competitions. Dr. Suchithra Devi (Treasurer, PTA) delivered the Vote of Thanks.

The Chief Guest Sri Kadakampalli Surendran distributed awards to meritorious students who secured Rank and the highest marks in the University Examinations, 2021 and to teachers for their academic, cultural and literary achievements.

REPORT OF THE ACTIVITIES OF DEPARTMENTS

Department of English

- The Department regularly conducts debate on topics of social relevance for PG and UG students
- Seminar presentations by students are frequently conducted
- A virtual Onam celebration was conducted on August 19, 2021 via Zoom. The celebration was conducted for approximately one hour with a total participation of around 80 students- both UG and PG.
- Felicitations to Intercollegiate University winners

Spectrum Seminar (2021-22) Report

The Department of English organized its Spectrum Seminar on 10 January 2022. Dr. Neelima S. Saral of the department was selected as the convenor and the Resource Person for the programme was Dr. Deepa Prasad L, Associate Professor, Dept of English, University College, Trivandrum. The speaker talked at length on the topic “**Constructs of Inscapes &Outer Spaces in *Hamlet* and *Twelfth Night***” and explored the complexities involved in Shakespeare’s plays. The new interpretation of Shakespeare’s texts by connecting them with science, space and architecture was indeed an eye opener to the audience. The talk was followed by a vibrant and fruitful discussion where teachers and students of UG and PG batches participated.

Department of Hindi

Department of History

The PG Department of History & Research Centre carried on extensive academic and extension activities during the academic year 2020-2021. The following are the programmes organised by the Department for the benefit of students, researchers and enthusiasts in the college and elsewhere.

The academic year started with the department organizing a National webinar observing the International Museum Day Celebrations 2021 on 28.05.2021. The theme of the same being 'Museum as Culture and Profession' was aimed at imparting the scope and depth of Museum study as Profession and also as centers of knowledge dissemination. Smt.Moumita Dhar,Assistant Curator,Collection i/c-Pre-Historic Archaeology Section(Including Indus Valley Civilization),National Museum, New Delhi, lectured on the topic.

World Environment Day Celebrations 2021 & International Environmental History Conclave on 'Nature and Constructive Development' was held online on 05.06.2021.Sri.Binoy Viswam,Hon'ble Member of Parliament,Govt.of India inaugurated the event and spoke about the pertinent need of constructive development in the nation. He opined that the ruining of nature at the cost of development will yield negative results in the long run.

Heritage being the integral part of historical studies saw its materialization with the Department organizing a series of lectures on Heritage and Archaeology. A webinar series was held on account of two of India's heritage sites being tagged as UNESCO World Heritage sites on 05.08.2021 & 12.08.2021 respectively. The initial session of UNESCO World Heritage Sites-National Webinar Series was on Dholavira . Dr.Rajesh S.V,Assistant Professor & Formerly Head, Department of Archaeology,University of Kerala handled the session on 'Harappan Culture in Gujarat (c.3900-c.900 BC).The second session on UNESCO Site 'Ramappa Temple' was engaged by Prof.M.Pandu Rangarao ,NIIT Warangal,Managing Trustee of The Kakatiya Heritage Trust.

A National Webinar was held on account of Mahatma Ayyankali Jayanthi and in obeisance to Professor Gail Omvedt . The Mahatma Ayyankali Jayanthi & Professor Gail Omvedt Memorial

Lecture was delivered by Dr.Vinil Paul(Jawaharlal Nehru University).Dr.Vinil Paul lectured on ‘Keralathile Dalit Charitrarachanakalum Puthupravanathakalum’ emphasizing on emerging Dalit historical writings in Kerala.

The annual Spectrum –Interdisciplinary Seminar series 2021-22, was held on 11.01.2022 .Prof.V.Karthikeyan Nair, Director, State Institute of Languages, Kerala inaugurated the Department Seminar and lectured on ‘Facets of Kerala Renaissance’. Paper presentation competitions for UG and PG students were held as part of the same.

An exhibition conducted by the Department in memory of two great legends of Indian Cinema , Lata Mangeshkar and KPAC Lalitha was held on 07.03.2022 drew great attention among the spectators.Yet another exhibition was also organized on women in history.The exhibition entitled ‘Global Women- History and Freedom’ aimed at imparting the achievements of women across nations and their voyage to freedom.

Extension Activities

The Department of History, Sree Narayana College, Chempazhanthy is keen in encouraging, organizing and participating in various extension activities with a dual objective of not only sensitizing students about various social issues but also contribute to community and strengthen community participation. The novel ‘Birthday Tree’ initiative undertaken by the History Department -, wherein birthday of each student of the department is celebrated by planting a tree still continues. The students of the department are also actively involved in various environmental enrichment programmes, cleanliness drives and community programmes frequently organised under the aegis of the college.

As a means of reaffirming societal commitment among the students of the Department, the students and faculty of the department visited the Multi grade Learning Center and handed over study materials and fresh garments to the kids. The students and faculty interacted with the teacher and students of the school and noted down their complications. Interactions were also held with the tribal community of the place, which gave a new perspective on realities of life to the students of the department.

Department of Economics

1. Department Organized Quiz Competition on August 15th in relation to Independence day Celebrations.
2. R. Sankar Memorial Spectrum Seminar Series 2022 was conducted by the Department of Economics on 7th January, 2022. The Department organised a Quiz competition in association with World population Day on 11th July 2021 through an online platform. Students from various departments participated in this competition. E -Certificates were also distributed among the winners.

Students and teachers of Sociology Department has taken up a novel initiative to support the differently abled students of the College in memory of Aiswarya A G, a differently abled student of 2019 batch (admission) who passed away due to disability related health issues. “Aiswarya Anayatha Deepam” program launched on October 2nd 2020, intends to provide an endowment to differently abled students of our College. The amount collected for Anayatha Aiswarya Deepam Program (Rs 42,000/-) was handed over to Principal ; brought under the Gurukarunyam Program and was distributed among 21 differently abled students of the college on 5/2/2021 as part of golden jubilee celebrations of the leadership of the current Management.

In the year 2021, SACSHI has made academic, infrastructural as well as student oriented financial

contributions to the Institution. SACSHI Alumni, Dr V. Shinju Head, Department of Sociology Vimala College, Thrissur inaugurated the Sociology Association 2021 and delivered the invited lecture on the topic: "Gender Equity through Empowerment" as part of the webinar organised by Dept. of Sociology, Sree Narayana College, Chempazhanthy on Saturday, 31 July 2021 at 10:30 am.. Participants of the program who came around eighty were highly inspired and enlightened with the knowledge and viewpoints shared in the vibrant discussion held in the webinar.

In the SACSHI, Virtual Get together convened on Monday, 31 May · 7:00 – 9:00pm (<https://meet.google.com/yah-vism-wgz>) members were thanked for their generous contributions for strengthening the infrastructural facilities of the College.

Utilising the fund collected SACSHI sponsored and installed the name board of College gate and College Office in due course.

In the Annual General Body meeting of Sacshi held on October 2nd, 2021, Principal handed over a framed letter of appreciation to SACSHI as a token of the gratitude for their wholehearted efforts for the institution. During the program, SACSHI presented Endowment Award of Rs 2000/- to A K Ananthakrishnan a deserving studious student from 2nd year BA Sociology hailing from difficult socio-economic background. Aneesh Memorial Best outgoing student award of Rs 2000/- was presented to Akshitha Ajay for her excellent all round performance.

On 22nd December 2021, the Dept of Sociology conducted a Seminar in the R Sankar Memorial Spectrum Seminar Series. Chief Guest Dr. Saritha R, Assistant Professor & HOD of Sociology, M G College Trivandrum delivered an invited lecture on "Research Methodology". Nine groups of 3rd year Sociology students presented papers on topics of Sociological relevance based on the primary data they collected as part of final year project work. The Department Magazine for the Academic year 2021-2022 "**Kaiyyoppu**" was also released during the programme

Thirty-six students from the Final year of Sociology were taken to Marayoor and Woderla from 16.04.2022 to 19.04.2022. Thirty two Students (20 girl students and 12 male students) were accompanied by Dr Uthara Soman and Smt Aiswarya A S.

Department of Physics

In connection with the R. Sankar Memorial Spectrum Seminar Series 2021-22 of the college, the department of Physics conducted an invited talk on "Elements of X-ray diffraction" on 20-12-2021 at College Seminar Hall. The resource person was Dr. Subhodh G, Assistant Professor, Dept. of Physics, University of Kerala, Kariavattom, Thiruvananthapuram.

The programme started with an invocation by Devikalekhmi of IDC Physics. The College Principal Dr. Anilkumar S presided the programme. Head of the Department, Smt. Veena V S welcomed all the gatherings. Dr. Subhodh G inaugurated the Programme and presented the talk on "Elements of X-ray diffraction". Students actively participated and the discussions were very much useful for the students. The programme ended with a vote of thanks by Smt. Jayasree K (Convener of Spectrum Seminar, Dept. of Physics),

The paper presentations of the students were conducted on 18-03-2022 at our III DC classroom at 10am. 8 students presented oral talks using power points and 2 students presented digital posters on various topics of physics. Presentations were judged by Dr. Biju R of Chemistry department. Revathy V R of II DC physics bagged first place and Vyshnavi D N of II DC bagged second place. Dr. Biju R gave advice and suggestions for improving the presentation skills of students. Each session was informative and interactive. We think these will help our students for their future studies and research.

The science club celebrated National Science Day 2022 with two-day programmes on 28th February and 2nd March 2022. It was a grand function organized by the Science club and the department of Physics. The two-day programmes included an Essay writing competition and a Poster Presentation Competition.

Both the competitions were given due publicity among the students of all departments by circulating programme brochures and through public addressing systems. Overwhelming response was received from the students and 20 students participated in the Essay Writing Competition held on 28.02.2022. Majority of the essays were of high standards and evaluation was pretty tough. The first prize in Essay writing competition was bagged by Sreelekshmi S (III B.Sc Physics). Second prize went to Saranya Chandran (III B Sc Physics) and third prize was shared by Gayathri A K, Parvathy M (I MSc Chemistry) and Gayathri M S (III B Sc Botany).

Poornnima U M of I B Sc Geology secured first prize in the Poster Presentation Competition held on 02.03.2022. Diya Shaji and Revathy V R of II B Sc Physics got second prize and third prize respectively

Department of Chemistry

The department organized a virtual farewell for the Final year BSc Students on **24/07/2021 in google meet. The students and teachers actively participated in the meeting. Students shared their memorable moments spent in college. During this occasion the Department magazine “CHE MAG” of 2020-21 was released by the Principal.**

Our students actively participated in the **Independence day celebrations 2021** organized by SN college Chempazhanthy.

A webinar was conducted on 17/ 08/2021 on the topic '**Career Advancement in Chemistry**'. Dr S Balachandran ,Retd Principal , NSS College Ottappalam, was the resource person. The PG and UG students of our Department participated .This was followed by an interactive session with the resource person.

One day webinar was organized in connection with World Ozone day Observance 2021 on **22/9/2021**. Head of the department Dr.S. Suja presided the meeting and **Dr. Aravind K., Assistant Professor, Department of Chemistry, S.B. College Changanassery** delivered the invited lecture on “Oxygen Story”. Online competitions on cartoon drawing, poster making, video making, oral

presentation based on the focal theme for the celebration were conducted for the students of chemistry department.

The Dept. of Chemistry Organised a Seminar as part of the R Sankar Spectrum seminar series 2021 on 14th December 2021 in College Seminar hall. The inaugural session started with a prayer, followed by the Welcome address given by the Head of the Department, Dr. S Suja. The Presidential address was delivered by Dr. S Anil Kumar (Principal, S N College). The Key note address was given by Dr. Jabeera B (Manager, R & D, KMML, Chavara) on the topic "Nano titanium dioxide- An Overview ". The session was concluded by vote of thanks proposed by Smt. Aswathy S. P. (Asst professor and department convenor of spectrum 2021). After the inaugural session, paper presentations of students were held on the topic "Recent Advances in Hydrogen Energy and Fuel Cell Technology ". Parvathy

M. R of S3 MSc Chemistry and Harish Sony Raj of S3 BSc Chemistry bagged the 1st and 2nd Prizes respectively

Department of Mathematics

- **Department celebrated Pie Day on March 14, 2022 by conducting a puzzle contest and an exhibition by describing the importance of Pie in day today life.**

Department of Zoology

Conducted poster making and essay writing competition on Women empowerment and distributed prizes and certificates.

Department of Geology

GeoFOCUS, an open forum created by Department of Geology, Sree Narayana College Chempazhanthy for sharing geological thoughts and to motivate students by conducting seminar sections and workshops.

GEOFOCUS had organised an online Debate Session for students of Department of Geology on 5th June on Occasion of World Environment Day. GeoFocus had also organized two Google Meet session for interaction among Students through online mode on 13th and 20th June 2021. Objective of this session was to motivate students during Covid-19 epidemic

Dr. Vishnu Priya S K, Tutor of 1st Semester Students, Successfully defended her Ph.D and was awarded the same on 5-10-2021.

Field demonstration in collaboration with Central Ground Water Board, Thiruvananthapuram, on Electrical Resistivity Field Survey and Infiltration rate measurement Schlumberger Method' on 1st October. Smt. Remadevi (Geophysicists), Sri. Sreehari Sangan M. S., and Rani V R Scientist B (Hydro-Geologist) Central Ground Water Board, Thiruvananthapuram had made field demonstration.

Sajulal G, a Department alumni and Managing Director GEONYMS INDIA PVT, Ltd a

Geotechnical Consulting, Training and Testing Firm, took an awareness interactive session for students of department regarding scope of Geology graduates and post graduates in Geotechnical Engineering on 12/11/2021

GeoFOCUS also organised interactive session among 1st SEM Students to improve leadership and communication skills on 7/12/2021. Three sessions of Debate competition was conducted on this day Department of Geology, Sree Narayana College Chempazhanthy had organized a seminar in connection with R .Sankar Memorial Spectrum Inter-Disciplinary Seminar Series (2021-2022) on 16th of December 2021, 10 am at College Seminar Hall. Dr. E Shaji, Associate Professor & HOD, Department of Geology Kariyavattom delivered a Keynote presentation on the topic ‘Significance of Geology in Present Scenario. The Keynote presentation was very informative and created good awareness on importance of Geology to a common man.

Project Work:

The students of 2019 admission were divided into 4 groups and were assigned project field area in

- 1. Arraram, Kezhaikonnampuzha Quarry**
- 2. Pullaparra, Katiakonam Quarry**
- 3. Chengotomampuzha Quarry and**
- 4. Akkulampuzha quarry**

One day fieldwork was conducted for **S-3 students** at Varkala and Quilon formation Section on 12/12/2021. Thirty students took part in Field study of Tertiary and quaternary formations of Kerala. The students were accompanied by two teachers Dr. Vishnu Priya S K and Dr. S Saji.

One day fieldwork was conducted for **S6 Final year students (2019 Admission)** at Varkala and Pozhikkara Beach Sections to study the Tertiary formations Varkalia, Quilon and sedimentary protolith Lateralites. The quaternary formations were also studied as part of this field work. 36 students were accompanied by Department HOD Dr. S Saji. The field together with Project field visit gave the entire batch an overall overview about the Geology of Thiruvananthapuram District
Second Year Students(2020 admission) were taken for Structural Reading on 8/05/2022. 20 Students took part in the field and were accompanied by two faculties, Dr Vishnu Priya S K and Dr. S Saji. The students were giving training in Map reading and taught how to take structural reading.

Department of Psychology

Online onam celebrations was organized on 19th August 2021.

World Suicide prevention day was observed by our department by organising a online webinar by Smt Aswathy K., ClinicalPsychologist, Kims on September 11th 2021. Dr K.A. Kumar, Psychiatrist also participated in the webinar from the USA as a special guest.

Dr. P.T. Kurian , Former HoD, Department of Psychology,Sree Narayana College, Chempazhanthy was the chief for this year's Mental Health Day Celebration.

Dr Jasseer J., HoD of Psychology, Department of Psychology, University of Kerala was the resource person and he delivered a lecture on Steps in Scientific Research. 12 students also presented papers on different subjects and the best paper award was won by Shankari V. of Final BSc Psychology.

Manasmrithi 2022 was held on 26th January 2022 by online mode. Prof M. Uma Devi, Founder Head of our Department was the chief guest. Former teachers and students participated in the meet and rank holders were felicitated in the meeting.

PTA meeting for first year and second year BSc Psychology students was conducted on 15 th and 4th March 2022 respectively. Attendance and marks obtained by students, and their overall performance were discussed in the meeting

Our Final BSc Psychology students visited Manakkal L.P. School as part of their Psychological Assessment paper and assessed the IQ of students on 28th February 2022

Achievements of students (Curricular/Co-curricular with proof)

Department of Physics

Parvathy S R of II B Sc Physics secured first prize in the College Level Powe Quiz organised by the Debate Club and KSEB Officers Association held on 31.10.2021.

Sreelekshmi S and Saranya Chandran of III B Sc Physics secured first and second prize in the Essay Writing Competition organized by the Science Club and the Department of Physics held on 8.02.2022.

Diya Shaji and Revathy V R of II B Sc Physics secured Second and Third Prize respectively in the Poster Presentation Competition organized by the Science Club and the Department of Physics held on 02.03.2022.

Revathy V R and Vyshnavi D N of II BSc Physics secured First and Second Prizes respectively in the Paper Presentation Competition in association with the Spectrum Seminar Series organized by the department of Physics.

Department of Zoology

- Three students (Abhirami S, Amal Shanmughan K P and Aleena Babu) of First year B.Sc. Zoology presented papers in Spectrum 2021-22 seminar series conducted on December 17, 2021. Aleena Babu bagged the award for best paper presentation

- Two teams from First year B.Sc. Zoology participated in Mime competition in College Arts Festival (2021-22) The team comprising of Gouri Krishna R S, Malavika B, Adithya S R, Alan Prakash C B and Abhirami S won the first prize and the team with Aleena Babu, Nandana Shaji, Anakha S, Akhila V, Ananya A S and Parvathy R S bagged the second prize
- The team with Gouri Krishna R S, Malavika B, Adithya S R, Alan Prakash C B and Abhirami S participated Mime competition in Kerala University Youth Festival conducted at Kollam from April 23 to 26, 2022
- Aleena Babu of first Year B.Sc. Zoology participated in Western Group Song and Malayalam Group Song competitions during Kerala University Youth Festival conducted at Kollam from April 23 to 26, 2022
- Abhirami S. of first Year B.Sc. Zoology participated in Skit competition during Kerala University Youth Festival conducted at Kollam from April 23 to 26, 2022

Department of Psychology

1. Athira V. University first rank 2021
2. Silpa S. University second rank

REPORT ON THE ACTIVITIES OF HUMAN RIGHTS FORUM

Human Rights Forum and Department of Political Science, Sree Narayana College, Chempazhanthy had organized a webinar on 14/03/22 on the topic The RTI Act and Human Rights. The speaker was Smt D B Binu, President, Consumer disputes redressal commission, Ernakulum. It was attended by 42 students from Human rights club and the co-convenors. Report of Planning Forum and Peoples Planning Forum

Mandatory clubs of the college, Planning Forum and Peoples Planning Forum, jointly organised an awareness programme about decentralized planning on 26th march 2022 at 6 PM. Ms. Anila. T, Research Officer, Kerala State Planning Board has taken a lecture on Decentralized Planning and Development in India. According to her, the beginning of decentralized planning process was started even before independence. Immediately after independence government of India through the inception First Plan, the importance of decentralized planning was emphasized in order to achieve active people's participation in the planning process. In 1957, the Government appointed Balwant Rai Mehta Committee which recommended constitution of elected statutory local bodies with its required resources, power and authority along with a decentralized administrative system operating under its control. Accordingly, the Panchayati Raj System was introduced in India. The resource person has articulated much about the Peoples Planning Programmes in Kerala. In the beginning of the

ninth plan, the Government of Kerala took a bold decision to devolve 35 percent of the state development budget down from a centralized bureaucracy to local governments where local people could determine and implement their own development priorities. This was implemented through the People's Plan Campaign (PPC) under the joint supervision of the Department of Local Self-Government and State Planning Board. Dr. Suchitra Devi S welcomed the gatherings and in the welcome speech she spoke about the pertinence of Planning Forum and Peoples Planning Forum in the colleges. Dr. Kumar S P, coordinator of the two clubs delivered vote of thanks.

Attendance: Forty one students including all club members attended the seminar.

Students Feedback: Majority of the students expressed satisfaction in terms of communication skill of the resource person as she spoke both English and Malayalam to explain various concepts. Some students expressed bit concern about some technical aspect of the session but she rectified this in the question answer session
